Camping season and outdoor activities and events are here! Take advantage of the many things we have planned; why not get involved as an adult too?!

Summer is coming...

With warmer weather on the way, make sure your son/daughter takes full advantage of the many camps and events planned for this year; details of which have gone out already, don't delay in responding with your interest today!

End of the anniversary year

Our 50th anniversary year has come to an end and our special badges need to be removed from uniforms. We have spare badges available for 50p each if you would like to purchase a spare for your blanket or simply an extra one as a souvenir.

Key vacancies

As the group continues to expand and offer greater opportunities for it's members, we are looking for additional adults to enable more adventures for more young people, can you help with any of the following, if yes, speak to Lee ASAP:

- Working with beavers
- Working with cubs
- Working with scouts
- Fundraising
- Administration or finances
- Parent rotas
- Equipment maintenance
- Minibus drivers
- Social event organisation
- And many, many more!

Drinks reminder

Due to our limited facilities at the school, please ensure you send your son/daughter with a drink if required on a Tuesday evening.

Reminder also, that uniform is required each week, so wearing a t-shirt under uniform means uniform can be removed for games if the weather is hot.

Save money by standing order

Don't forget you can save money monthly by paying your subs by standing order direct in to the group bank, saving you money and everyone time each week; details from your section leader.

Turn over for details of coming events...

Congratulations!!!

Lee Bragginton - Award for Merit

These and other presentations will be made at our Family BBQ and AGM on Tuesday 23rd May, by special guest; Mark Bache, County Commissioner.

Family camp coming soon...

Letters went out some time ago (copies available from our website blog) for this year's family camp over the weekend of 8 - 10 September. Get your replies in as soon as possible we can sort any DBS (CRB) checks required. This is always an enjoyable weekend for regulars and newbies alike. No camping experience required!

Beaver Business

Beaver numbers have increased with a number of new faces recently; welcome to you all!

We do still need further adult support in beavers, particularly as the summer approaches and we look to get outside and out and about in the community.

Cub Chat

With an indoor weekend under their belts at Patshull, the cubs are now looking forward to another nights away weekend in June.

As combined cub packs, number have grown as new faces have also come up from Beavers; would you like to get involved as an adult volunteer?

Scout Social

Patrol camps are fast approaching, with plenty of teamwork and leadership activities planned. The summer week camp is also not far off, get in touch if you want to attend.

Advance notice of the indoor weekend 17 - 19 November.

Explorer Events

With the first nights away event an enjoyable weekend at Beaudesert in February (with snow!), the explorers are now looking forward to further weekends in June, September and December.

They are also organising a quiz night for you to enjoy, details coming soon...
